

Holocaust Survivor Day

June 4th, 2024

Vision

We believe in a world in which every Holocaust survivor knows that they are deeply respected, cherished, and loved for contributing to their families, communities, and the world at large.

Context

International Holocaust Remembrance Day and Yom Hashoah are essential to honoring the memory of all people and Jewish life killed and forever scarred by the Holocaust. Holocaust Survivor Day is about celebrating the survivors and everything they continue to teach us.

Mission

Holocaust Survivor Day calls on people everywhere to celebrate survivors' lives, thank survivors for their contributions and their lessons, and respond to help survivors who are in need today.

Impact

Survivors are models of resilience. Holocaust Survivor Day is an opportunity to honor survivors, while learning from their lives and the examples they have set for generations to come.

Save The Date - June 4th

Celebrate Holocaust Survivor Day Sunday, June 4th or in the days leading up to or after it.

Where?

Everywhere there are survivors!

How?

Each community will decide how best to honor, celebrate and support its survivors. Toolkit to come.

“Survivors represent the best in all of us, the best of the human spirit. They are our treasure and our light and we must shine that light into every dark corner of our world.”
